

# Boards/Committees/Commission Reports

February 11, 2025, Committee of the Whole

Councillor J. Anheliger

---

## Roseridge Waste Management Services Commission

- Roseridge to complete remaining construction items. Including work on the ditch along the previous site entrance.
- Feedback from new site is 95% positive
  - Concerns to address include burn barrels, being able to lift items over the railings, emptying horse trailers.
- 2024-year end financials indicate that Roseridge had a cost recovery rate of 107%
- Discussion around increased regional services continue
